President's April Letter (2017)

The Jan & Dean Show went well. There were a lot of people who helped make it a success. We did have a problem at the last minute when a couple of our Cars canceled. However, thanks to others, we were able to fill the last minute slots.

We have also survived the three Car Shows in a row during the middle of March. Again, we had some last minute problem that proved to be a challenge. After numerous phone calls, we were able to just meet our needs on Saturday, March 18, when we needed 25 Cars to meet our Contract. Thank you to the ones who brought their canopies, they were heavily used.

We are now headed into April, when again, on April 15, 2017, we need 25 Cars at the corner of Union Hills and 91st Ave to meet the Contract requirement. Please don't hesitate to sign up early. Everyone counts, so be one of them.

The Activities Committee is working on the Spring Farewell Picnic and looks forward to a good attendance. So please check your News Letter and sign up early. We should have a good time again this year.

I'm sorry to continue to ask for help on this matter, but we still do not have a Vice President for 2017. If there is anyone who would like to be involved in the management of our Club, please give me a call or send me an e-mail. If you have any questions about the position, please don't hesitate to call me.

In order for our CARS Club to continue moving forward, we need responsible people to step forward and take over the reins. Your leadership may just be the key for our CARS Club to flourish in the future.

For those who may not be aware of the change in time of the Board meetings, we are still holding the Board Meetings on the fourth Monday of each month (January – May & September – November), except the December Meeting will be held on the third Monday. All Meetings in 2017 will start at 9:30am and end at approximately 11:00am – 11:30am. All Meetings will be held at the same location - Sunshine Service Center located at 9980 W Santa Fe Dr., Sun City. If any Member needs to have a New Car reviewed by the Governing Board prior to it being shown at a Car Show, please bring it to a Board Meeting at (9:30am) for review. Likewise, any perspective New Member should also come at 9:30am to meet the Governing Board, have their car reviewed and fill out an Application. The Governing Board will act on these reviews at the start of the Board Meeting.

There have been some concerns from various members of our Club about the future of our Club if we don't make changes. Likewise there have been comments from other members resisting changes to the way our Club is being conducted. I will also make every effort to ensure that both sides of the issue are represented on the Working Committee that will be established in the near future. You will be hearing more about this soon.

As always, I look forward to serving you and seek your help and input so that our CARS Club can continue to improve. Your Club needs your help.

Sincerely, J. W. Burrows - Cell 309-453-3906 - Home 623-815-8337 - e-mail: rvtravelerb@netscape.net.
