Message from your President

Wow!! What a turnout for the membership breakfast. 92 members and guests were there. It looks like our board from last year is returning with the exception of Howard Voigt. Burch & Joan Pickett will take over selling the shows. Thank you Howard for serving the past couple of years and again thanks to the returning members. I hope to see many of you at the Christmas party. Palmbrook Country Club is a class facility for our event. I am in hopes we can squeeze in another event for December before the holidays. We will try to keep you busy in the coming new year. I also want to thank all the members who attended my wife Jan's memorial service.

It meant a lot to my family. **Denny Lockmon your President.**

The C.A.R.S Club is doing a change in the Token's.

We have over \$6000 in our treasury dedicated to outstanding tokens.. It is our belief that there is not near that amount in circulation due to members that have left the club by moving, death, etc. We have new tokens in a different color and shape that will replace the existing red and green ones currently being used. The new tokens are here now. We will exchange any tokens in your possession for the new ones. The old ones will be accepted until January 1, 2014. Any snowbirds who will not be back until after the new year should turn them in now to Bruce Lewis and he will give you new ones. Don't delay. As I said before, the old ones are good til Jan. 1, 2014.

We do "NOT" exchange them for cash !!!!
