President's December Letter (2015)

I would like to thank everyone who attended our November 10 Annual Meeting. I apologize for the extremely poor sound. We were in an area where the acoustic were very bad and we had other customers seated nearby. I elected not to use our loud speaker due to the other customers seated nearby. In order to overcome this problem next year, we have made a reservation at the same place but we will be in a large room that has doors that can be closed so that we can use our loud speaker. Next year, the Annual Meeting will be held on Friday, November 4. Finding a place that can hold up to 80-90 people, has good acoustics, allows the use of a loud speaker, and is reasonably priced has been a problem for a long time. We even strongly considered having a luncheon instead of a breakfast. The cost, however, would have been higher. If anyone can come up with a location that would meet our needs and is available for the first part of November, we would be interested in knowing about it.

At our recent Annual Meeting, we had the misfortune of several people making a reservation to attend and they did not show up and did not call to let us know that they would not attend. Since we had to inform the restaurant as to how many people were planning to attend, we, the C.A.R.S. Club, had to pay for those who made reservation and did not attend.

I hope that everyone had a very Happy Thanksgiving and that each of you has many things to be thankful for this year even though our Country and the World around us is in such confusion. The Holiday Season is fast approaching. I look forward to seeing all of you who have made reservations to attend our Christmas luncheon. This is another time for us to fellowship one with another.
I further hope that all will have a great time.

I will be making a few comments at our Christmas luncheon, but will make an effort not to bore all of you. However, for one thing, I will be talking about the various Standing Committees that are appointed by the President to form the Governing Board. I will again be asking people to volunteer for some of the various Standing Committees. If you are not willing to volunteer to lead one of these committee positions, maybe you would be willing to be an assistant to the Chairperson. This would give you the opportunity to better learn how your CARS Club is run and also be in a good position to offer your advice.
Your help would be greatly appreciated.

I look forward to serving you this upcoming year and seek your help and input so that our C.A.R.S. Club can continue to improve.

Sincerely,

J. W. Burrows
