President's December Letter (2017)

Time continues to go by and we as a Club continue to survive. I would like to set forth my most sincere gratitude for those who stepped forward and agreed to aid our CARS Club with their current/future leadership. Based on those who stepped forth, we now have a full complement of Executive Officers for the upcoming year. Likewise, most of our Standing Committee Chairpersons are staying in their current positions for the upcoming year of 2018. Please begin to look forward to year 2019 when those currently in an elected Office will most likely retire and several of the Standing Committee Chairpersons may all step aside since they have been in the same position for several years.

If any Member needs to have a New Car reviewed by the Governing Board prior to it being shown at a Car Show, please bring it to a Board Meeting (9:30am on the fourth Monday of each month) for review. If this creates a hardship for anyone, please contact me (309-453-3906) and I will attempt to have your Car reviewed some other way. Perspective new members need to bring their Show Car to one of the Boards' regular meetings for review of their Show Car and for the Board to talk with them prior to voting on their joining our C.A.R.S. Club.

The Survey Committee is moving forward with creating a series of questions for each of us to answer in order to get a 'snapshot' of what our Membership believes that our CARS Club should look like for the future. You will be hearing more about their progress early next year.

Russ will be working to get New Car Shows early in the upcoming year. When you see them listed in upcoming Newsletters, don't hesitate - sign up right away. Let's make year 2018 a very good year.

I have received a request from a perspective member who needs someone to do minor maintenance work on her two antique vehicles. If anyone can help, please contact me. Thanks.

As always, I look forward to serving you and seek your help and input so that our CARS Club can continue to improve. Your Club needs your advice and help.

Sincerely, J. W. Burrows - Cell 309-453-3906 - e-mail: rvtravelerb@netscape.net
