President's December 2018 Letter

We are now approaching the end of the year. As I have noted before, the Newsletter/ Web Page will normally be published a couple of days before the 1st of the month. The time period needed for information to be submitted to Jerry for insertion into the Newsletter/Web Page will be forth coming. We are striving to get all needed information into the News Letter/Web Page in a timely manner.

The joint Car Show between Vintage Vehicles of Sun City and our CARS Club went well and I believe that everyone had a good time. Collectively, we had about 60 Show Cars in attendance. Thank you to all who responded with Show Cars and to all who helped make this joint Car Show a great success.

The Annual Meeting went well and we now have a complete group of Elected Executive Officers. The new Executive Officers are as follows: President – Larry Brower; Vice President – Don Juday; Secretary – Sharon Altenhoff; and Treasurer – Nancy Juday. I would like to wish each of the New Executive Officers a very good year starting on January 1st, 2019. As you each get the opportunity, please welcome them as your new Executive Officers.

As this year comes to an end, please remember, if you have not already done so, please renew your Club Membership by January 1, 2019. You may pay your annual dues for next year by directly paying them to our current Treasurer (Bruce Lewis) or by sending your Check to Bruce Lewis at 10015 W. Royal Oak Rd - #277, Sun City, AZ 85351. The Dues are \$15.00 per person or \$30.00 per couple. You may pay your Dues with cash, Tokens, or a check. By paying your Dues by the end of this year, your new Executive Officers will greatly appreciate it.

Since this is my last President's Letter, I would like to thank each of you who have been so helpful to me in the last four years as your President. We have had some valleys to get through but we have had many mountain tops from which we can take a look around and see the many good things, and to reminisce about the fun that we have had and the many people that we have met at Car Shows. I wish the CARS Club the best in the future and trust that everyone will provide the needed assistance to the Executive Offices and the various Committees that are formed to carry us forward

Sincerely. JW Burrows
