Featured Members: Michael Thomas and Jeannie Wavrin

Michael and Jeannie moved to Arizona in the HOT summer of 1998. In fact, the very day they arrived in July of '98, a record 117 degrees was recorded.... WELCOME to sunny Arizona! At least it's a "dry" heat! Considering they came from Wisconsin (Michael) and Minnesota (Jeannie), where they were accustomed to the long "dry" cold sub zero cold spells (fall-winter-spring), they were delighted to experience an Arizona summer. Each drove a U-Haul truck to Arizona, one with their model "66" 1947 Oldsmobile and the other the 1986 "944" Porsche in tow!

Both bankers, Jeannie began working with Wells Fargo and Michael with a Mortgage Banker Today, they are both licensed mortgage banker/loan originators with Peoples Mortgage Company, one of the top 5 mortgage bankers in Arizona, and have several Sun City locations as well as their main branch in Westgate City Center, near the Coyote/Cardinals complex.

They built a home in the West Point Community in Surprise in 1999 and joined the C.A.R.S. Club. Since 2004, they reside in Corte Bella, located in Sun City West. In 2002, Jeannie fell in love with the new Ford TBird.... So goodbye Porsche, hello Yellow/White Thunderbird... Inspiration Yellow.... You can spot the car a mile away! Michael's daily driver is a 1993 Buick Riviera.. Currently has 61,000 miles on the clock! They promise to get more involved with the club as they free up more time to relax and enjoy life in the Sun Cities!

Happy Valentine's Day

Message from your President

What a crazy month this has been. New record low temperatures and then record highs. As long as the sun shines I don't care. Whatever we have is better than up North. As long as we can get our cars out to enjoy them is the icing on the cake. The car auctions have come and gone. If you have never attended one put it on your list for next year. You will find some very nice cars that you will never see again in a lifetime. Those of us who attend them on a regular basis have to just drool over the vast selection offered and wish our pocket books were bigger. We had a nice lunch event at the China Buffet on January 24 with about 38 folks attending.

Thank you Richard Anderson for arranging it. I am looking forward to the Valentine show on February 16. Burch Pickett has put a ton of work into setting up all the details for this event. We need everyone to bring their cars and spend the day with your friends.

Denny Lockmon your President.

Thought of the Month

Why Volunteer?

It's not medals won with pride. It's for the feeling deep inside.

It's that reward down in your heart.

It's feeling that you've been apart of helping others, far and near.

That makes you be a volunteer!

It's not the money, it's not the fame. It's not for any personal gain.

It's just for love of fellow man. It's just to lend a helping hand.

It's just to give a tithe of self, that's something you can't buy with wealth.
