Larry and Karen Brower's 1970
Chevelle was purchased in 2005 at
the Pavillions in Scottsdale. We
did some modifications changing
out the 307 to a 350 engine.
Additionally added bucket seats
vice a bench. The car, other than
the above changes, was pretty
much original.

January 17, 2019

Here we are in a New Year: Hope you all made your resolutions for good health and a prosperous 2019.

Several changes had to be made to our governing board, Jerry Eggleston decided to remove himself from our club. The new WebMaster is Jamie Longtin who will be appointed at our January 28 meeting. Jamie has rolled up his sleeves and jumped in and refurbished several items that were accidentally eliminated. Please remember that Jamie is new to working with our Web page.

A meeting was planned on how to improve the newsletter but several of our volunteers were absent due to illness. I plan to address this issue during our January 28th meeting. I encourage all members to attend and bring your ideas on any and all proposals. Remember this is your club, your newsletter, so as long as we stay within the by-laws everything will be fine.

Jamie, JW, Dave and myself spent many hours putting the revised Webpage together as several items were deleted. We feel we now have it in proper order.

I would appreciate if a member would take the Regalia position. It will not require a lot of your time and be helpful to our governing board.

The email address to be used to contact or submit articles to the club is carsclubofsc@gmail.com

Please do not use Jamie's personal email address.
