Issue No. 83

February 2018

Rip Fenner - Editor

## President's February Letter (2018)

As previously noted, I had appointed a Survey Committee to develop a series of Questions that would be presented to the General Membership. The Answers to this series of Question could then be used as a guide for the direction of our C.A.R.S. Club in the future. It may not be the total answer to our future. But with your thoughtful Answers, it could sure help. The Survey Committee has been working on this project for a few months and has now compiled a list of Questions. For those with email addresses, the Questions will be sent to you via e-mail and the ones without e-mail will receive theirs via US Mail or personal contact. I am asking that everyone send their Answers to Rip Fenner. If you receive your Survey Questions via e-mail, then you should send your Answered Survey Questions back to Rip. If you are a couple with one e-mail address, you should make one and only one copy of the e-mail so that each of you can answer the respective Questions on the e-mail and return your Answered Question to Rip via e-mail. If you are single, you may answer the Survey Questions on the e-mail and return your Answered Survey Questions to Rip via the same e-mail. I am asking Rip to track and record receipt of all Answered Survey Questions so that we do not receive duplicates from the same person. Once received, Rip will make a copy and place it in a SECURED FILE FOLDER along with all others that he receives. He will not review your Answers. We will do our best to protect your privacy. For those who receive their Survey Questions via US Mail or personal contact, you should return the Answered Questions to Rip via the US Mail or the personal contact. Be sure to seal your envelope and have your return address on the outside of the envelope. Again, Rip will not review your Answered Questions, but he will use your Return Address to record receipt of your Answered Question so that we may eliminate any duplicates. NOTE: you must have your e-mail address on your returned Answered Questions that are returned via e-mail and if returned in an envelope, you must have your return address listed on the outside of the enveloped. If the e-mail address or return address is not provided for tracking, the returned Answered Questions will be saved in a separate SECURED FILE FOLDER.

I respectfully request that each of you read and think about each question before you answer any of the Questions. Some Questions may relate directly or indirectly to other questions. Please answer all Questions with your deep and thoughtful consideration. Each Question requires only one answer.

The Survey Committee will be distributing the Survey Questions on or about January 25, 2018 and your Answered Questions should be returned to Rip by February 5, 2018. Your help is greatly appreciated.

For those who helped remind others that their annual dues were late, I thank you for your help. It is my understanding that the information for the 2018 Directory has been delivered to the Printer. Consequently, we will have the new Directories in two/three weeks.

Our year has not started off very well with Car Shows but should pick up soon.

Russ will be working to get New Car Shows early in the upcoming year. When you see them listed in upcoming Newsletters, don't hesitate - sign up right away. Let's make year 2018 a very good year. I received a telephone call from Monticello Senior Living (North of Bell on 87th Ave) regarding their having another 'Mixer' and a Car Show. Russ is working with them to arrange the dates and times. The 'Mixer' has been set back to February. Watch your Newsletter and Special Notices regarding these two events

As always, I look forward to serving you and seek your help and input so that our CARS Club can continue to improve. Your Club needs your advice and help.

Sincerely, J. W. Burrows \*Cell 309-453-3906 e-mail: [rvtravelerb@netscape.net](mailto:rvtravelerb@netscape.net)
