For Sale

I have For Sale a 2000 well built car trailer with a steel floor and a dove tail! It has some built ins that you (or me) to take out if not needed, like a stove, oven and a refrigerator that works on elect. or gas, and cabinets. It has the 6 lug axles (5500 each) with brakes on both and a 4FT. wide side door! Has almost new tires and a good spare. Good AZ title with permanent plates. Come and get it for \$4950. Needs some clean up, Walter Ready 623-698-3001. Might trade in on old car!

Message from your President

March has again been a busy month for our car club. Our annual Valentine show was a success and well attended. Lots of beautiful cars and plenty of spectators. The men's breakfast was well attended and we did what we do best. Eat. The casino trip for the gamblers hopefully was profitable for a few and I'm sure there were some not so lucky. The picnic, car display, and garage tours around the Rancho Estates are always a big hit. Thanks to Steve Freegard for hosting this event. A special thanks to everyone who made these activities possible. Burch Pickett has been working his tail off lining up cars shows for us. Don't forget to call Herb Carson to sign up for these shows.
