2013 Valentine's Show

Men's Breakfast

Message from your President

February has been a busy month for the club members. Seven members showed their cars at the Arizona Auto Hobbyist Council show held February 2 at Sanderson Ford. Two of us received Top 10 awards. Great weather and a good day for a show. Several other members were there to see the cars. The big event was the Valentine show. Burch and Joan Pickett went all out to make this the best event of the year. His effort of calling every member that he could reach paid off with 77 cars showing. What a great mix of cars we have in this club to share with the public. Thank you Burch and Joan and all the members of the club who helped with parking and other needed duties. The weather gods were looking after us to have a great day for the show considering the goofy wet and chilly days before and after. The men's breakfast had a nice turnout with the guys doing what we do best. We are an eating club. Thanks Richard Anderson for setting it up. The Sun City tour will have taken place by the time you are reading this and we will hear about it in next month's issue.

Denny Lockmon your President.
