C.A.R.S. Club President's March Letter - 2016

We are now in the third month of the New Year. Time does move by quickly. As many of you know, I have been making several calls asking for help with filling a vacancy on the Governing Board. More specifically, I need to replace the Chairman of the Car Show Set-up Committee. This Committee has the main responsibilities of working with the Contracting Business/Person to determine where they want us to park our Show Cars, check-in the attending Show Cars and then direct the drivers where to park. At the time of this letter, I have had a person volunteer, for the remainder of this year, to cover this position. I ask at this time for someone to come forward and work as an assistant for the rest of this year with the thought of taking the Chairman's position for next year. It is important for the future of our Cars Club that different people help us cover the needed Governing Board positions. Thanks again, your help is needed. Do not hesitate in calling me to help you better understand what is required for each position of the Governing Board.

We have several Car Shows lined up for the rest of the spring season and look forward to seeing you at some of these upcoming Car Shows. Your help is needed for us to provide Show Cars for these dates. Check your News Letter for dates and times and sign up early. Also, look through your New Letter, in detail, so that you keep yourself well informed on what is happening In our Cars Club.

As noted in earlier letters, if you make a reservation to attend any of our CARS Club activities and you cannot attend the activity, please call the person who you made the reservation with and cancel your reservation. In some cases, we may be able to contact the place of the activity and save our CARS Club from having to pay for a No-Show. If it is a Car Show that you have made a reservation for and can't make it, let Herb Carson or Mike McCreery know so that we can find someone to fill your vacancy. Your help on this matter is greatly appreciated.

In this upcoming year, if you can't attend Car Shows or other activities due to health issues, car troubles or other problems, please let the Governing Board know about it. This can be done in several ways. For example, a letter to the Governing Board mailed to Secretary Katie Majerus, an e-mail directed to my attention (rvtravelerb@netscape.net) or feel free to attend one of the Board meetings. The Board meetings are held the fourth Monday of each month at approximately 2:00 pm at the Sunshine Service center located in the 9800 block Santa Fe Dr, Sun City.

It is the desire of the Governing Board that the members of the CARS Club of Sun Cities become more and more involved. Consider placing your name in contention for one of the four (4) elected Executive Board positions. Choices are: President; Vice President; Secretary; or Treasurer. The voting, as always, takes place at the Annual Meeting in November. If one of the Executive Board positions does not appeal to you, please consider volunteering for one of the many Standing Committees. Your help is needed in order to keep our CARS Club moving forward. New people generate new ideas.

As always, I look forward to serving you this upcoming year and seek your help and input so that our CARS Club can continue to improve.

Sincerely, J. W. Burrows. Cell: 309-453-3906. Home: 623-815-8337
