G.A.R.S. Farewell SnowBird Picnic

Our Annual Farewell Picnic was a great success and well attended. We really appreciate Steve Fregard for opening his garage area for all of us. We got to see his cars also. We had great food prepared by all our ladies to go along with the meat. Thanks so much ladies. Also a great time visiting with everyone.

Message from your President

Our month of April got off to a good start with the "Farewell To The Snowbirds" picnic.

Nice turnout with food galore brought in by the members and the pulled pork and drinks furnished by the club. If you went home hungry it was your own fault.

Steve Freegard was a super host as always to offer his place for our event. Thanks Steve. Birch Pickett again should receive a big thanks for spearheading the picnic.

Richard Anderson brought in helpers the day before to set up tables and chairs.

The garage tours were a big hit as well with Ron Ely toting the folks from place to place with his trailer pulled by a John Deere tractor. A thanks as well to the members who opened up their garages and private collections for all to see. We did have several "no shows" that had made reservations so we did have some pulled pork left over. We had two car shows this month including Scottsdale Village Square and Pacifica. There were some people that were "no shows" at both of these shows as well.

If you sign up for an event or show, please call someone if you cannot attend.

I know sometimes we sign up a month or two ahead and just plain forget. Many of our folks have already gone North and are seeing that dreaded thing called snow.

We pretty much shut down for June, July, and August but we will be ready to go in September. We do have one show June 7 that we need 10 cars.

Please help us out if you will still be in town.

Denny Lockmon your President.

 Meetings held 1st Tuesday of the month - 7:00 P.M.,
 Check website for exact time and place.

The C.A.R.S Club is doing a change in the Token procedure.

We have over \$6000 in our treasury dedicated to outstanding tokens.. It is our belief that there is not near that amount in circulation due to members that have left the club by moving, death, etc. We have ordered new tokens in a different color and shape that will replace the existing red and green ones currently being used. The new tokens should be in our hands sometime in May. We will exchange any tokens in your possession for the new ones. The old ones will be accepted until January 1, 2014. Any snowbirds who will not be back until after the year should turn them in now to Bruce Lewis and he will give you new ones when they arrive or when you return. Don't delay. As I said before, the old ones are good til January 1, 2014.

We do "NOT" exchange them for cash !!!!
