Labor of love

Earl Hoatson, a member of Sun City's Antique Car Club, proudly shows off his 1931 Chevrolet Sports Coupe with rumble seats and double side mounts. The car took him three years to restore. Mr. Hoatson and other club members displayed their vintage vehicle last week at Greenway terrace shopping center.

President's May Letter (2017)

We are now headed into May, when again, on May 20, 2017, we need 25 Cars at the corner of Union Hills and 91st Ave to meet the Contract requirement. Please don't hesitate to sign up early. We know that a lot of our winter visitors have left for their summer homes. Consequently, we will have to struggle once again to get 25 Cars for this show. Your help is greatly needed. Everyone counts, so be one of them.

The Spring Farewell Picnic went well and I hope that everyone in attendance had a good time. It was interesting to see the Road Runners. They don't normally hang around people, but the chance of food probably won.

In order for our CARS Club to continue moving forward, we need responsible people to step forward and take over the reins. Your leadership may just be the key for our CARS Club to flourish in the future. Again, I continue to ask for help on this matter, but we still do not have a Vice President for 2017. If there is anyone who would like to be involved in the management of our Club, please give me a call or send me an e-mail. If you have any questions about the position, please don't hesitate to call me.

If any Member needs to have a New Car reviewed by the Governing Board prior to it being shown at a Car Show, please bring it to a Board Meeting at (9:30am) for review. If this creates a hardship for anyone, please sign up for the May 20 Car Show and I will have the Board Members in attendance gather around your New Car and review it at the Car Show.

For the ones of you who have pop-up canopies, I thank you for bringing them to our Car Shows when it is hot. We will probably need them again on May 20. Please don't let the heat stop you from coming. This will be the last Car Show for the first half of this year.

As always, I look forward to serving you and seek your help and input so that our CARS Club can continue to improve. Your Club needs your help.

Sincerely, J. W. Burrows - Cell 309-453-3906 - Home 623-815-8337 - e-mail: rvtravelerb@netscape.net.
