October 2013

Message from your President

It's time to start planning for our upcoming season of events. Richard Anderson has set up a dinner at Golden Corral for Thursday, October 17, 2013. See his article for details. Our snowbird members should start arriving soon so we can start having fun with more folks here. Hopefully we will be able to contract more shows this year. The economy has made many of our sponsors tighten up their belts and makes it more difficult to get the shows. If any of you have suggestions for places you would go for our events please contact any board member. Driving our old cars is what it is all about. Hopefully we can schedule more driving events. We are always looking for people to serve on the board. Step up to the plate and volunteer. It's not hard work.

Denny Lockmon your President.

The C.A.R.S. Club is having a "**CONTEST**" to give the **Newsletter a NAME**. Come up with a catchy name and win a new **C.A.R.S. Club "Cap w/ Pin"**. The 2013 Board Members will choose the name from all entries and announce the winner at the November Annual Breakfast Meeting.

Send all entries to Rip Fenner at coppercricket@cox.net

Entries must be in by midnight October 31, 2013.

Entries must come from current 2013 C.A.R.S. Club members.

Lets get them names coming. Names should be car related.

Rip Fenner - News Editor

The C.A.R.S Club is doing a change in the Token procedure.

We have over \$6000 in our treasury dedicated to outstanding tokens.. It is our belief that there is not near that amount in circulation due to members that have left the club by moving, death, etc. We have ordered new tokens in a different color and shape that will replace the existing red and green ones currently being used. The new tokens should be in our hands sometime in May. We will exchange any tokens in your possession for the new ones. The old ones will be accepted until January 1, 2014. Any snowbirds who will not be back until after the new year should turn them in now to

Bruce Lewis and he will give you new ones when they arrive or when you return.

Don't delay. As I said before, the old ones are good til January 1, 2014.

We do "NOT" exchange them for cash !!!!

Denny Lockmon - President
