## Annual Breakfast Meeting - Election of Officers

**To all C.A.R.S. Club Members.**

**It is that time of year to be thinking about being a Club Officer, or other board member.**

**We will be excepting nominations for President, Vice President, Treasurer and Secretary and Voting these people into office at the Annual Meeting Wednesday, November 8, 2017.**

**Get your name in early so that we are not scrambling for officers at the last minute.**

**Contact any Board Member to put your name into contention for a position on the Board.**

**Thanks - The Board of 2017**

## **President's October Letter (2017)**

**Time continues to go by and we as a Club continue to survive. As I indicated last month, we have several very important issues facing us in the last half of 2017. The most important issues for our Club are the future vacancies of the Executive Board and the Members of the Governing Board. As most of you know, we have not been able to fill the vacancy of the Vice President for this current year. Getting new people to fill the current and upcoming Positions of the Full Governing Board is of major importance to the future of our Cars Club.**

**Again, one possible way to help offset an individual's concern about taking on a leadership role is to serve as an assistant for one year with the thought of taking the position for the following year. For example, for the President's position, he/she could become an assistant to the President and work very closely with the President to learn the needs of the Position. For the Vice President's position, the current President could aid the person in learning the needs for the Vice President's position. With respect to the Secretary's and Treasurer's positions, the respective individuals could become an assistant to the current Secretary and Treasurer for a year. For the seven appointed Chairmanship positions, an assistant can be appointed by the President to work closely with the Chairperson of the appropriate Committee. This would allow a person to become familiar with the Committee prior to becoming the Chairperson. There may be other ways that we could accomplish the same objective. Please feel free to offer your thoughts and suggestions on this matter.**

**Our Annual Business Meeting will be held in early November. At this Annual Business Meeting, the 4 members of the Executive Board Members will be elected (President, Vice President, Secretary, and Treasurer). Following the election of the Executive Board Members, the President, for next year, will seek out and appoint the Chairperson for the seven Standing Committees (Car Show Procurement, Car Show Coordinator, Car Show Setup, Activities, Web Page/Newsletter, Regalia, and Past President). Additionally, the President appoints a Directory Coordinator and a Sunshine Coordinator (non-voting members assisting the Full Board of Directors).**

**If any Member needs to have a New Car reviewed by the Governing Board prior to it being shown at a Car Show, please bring it to a Board Meeting (9:30am on the fourth Monday of each month) for review. If this creates a hardship for anyone, please contact me (309-453-3906) and I will attempt to have your Car reviewed some other way.**

**Car Shows are now being scheduled for October. We are attempting not to have any large Car Shows until October or later. I look forward to seeing all of you as the fall season moves forward.**

**As always, I look forward to serving you and seek your help and input so that our CARS Club can continue and improve. Your Club needs your advice and help.**

**Sincerely, J. W. Burrows \*Cell 309-453-3906, Home 623-815-8337**
