### **Message from your President**

Another season of car activities is upon us. Burch already has shows for  
September 12, October 25 and 28 with many more in negotiation.

I am looking forward to having our winter visitors return and ready for  
some fun. If you have any suggestions for an activity or want to volunteer  
to host one, contact one of the officers. Give some consideration to  
running for an office or taking on one of the board positions.

It doesn't take a lot of your time and gives you more say in the  
running of the club. As we have said before, we want you to be an active  
member and participate in our events. See you soon.
